

## Borders College VLE: How to Login

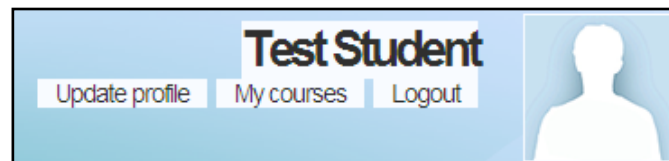

To login to Moodle, navigate to <http://moodle.borderscollege.ac.uk>.

From the homepage, you will need to supply your username and password into the 'Login' block up in the top-right hand corner:

Your **username** is your network user ID (i.e. the same username you supply to login to a workstation on the College network).

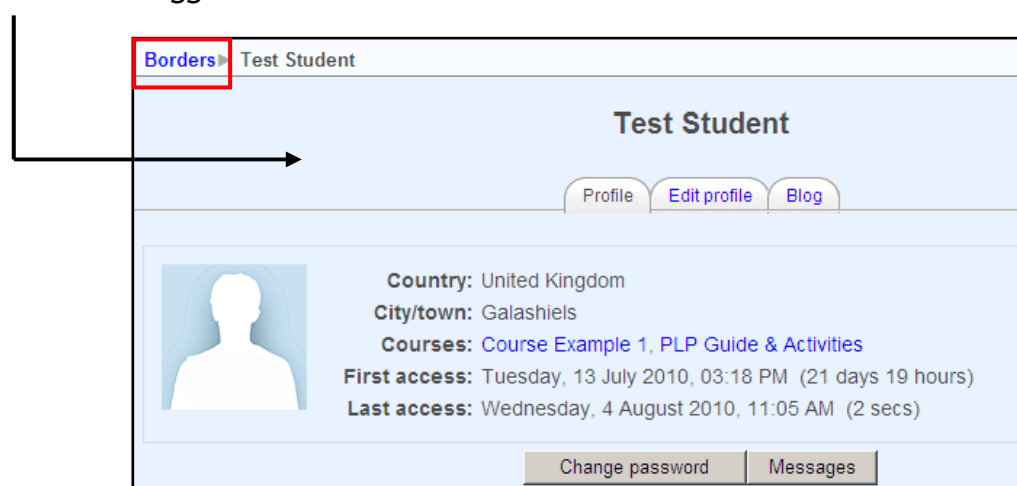

Your **password** is also your corresponding network password (i.e. the same password you supply to login to a workstation on the College network).

You can identify if you have logged in successfully by seeing your name displayed in the top-right hand corner.

If, at this point you see your profile page, then click on the **Borders** link in the top-left hand corner to return to the homepage.

You should still be logged in.

If you have any issues getting logged into Moodle, then please contact either [James Henderson](#) (Ext. 2679) or the [Helpdesk](#) (Ext. 2645).
